Name & Surname: _____

Animal Parents and Babies

Babies are like, but not the same!

About 30 minutes **Level** ★★★☆☆

Babies Are Like Parents

Baby animals are **like** their parents but not exactly the same. They may have the same fur or legs but be smaller or a different **color**.

Key words

parent: a mom or dad animal

baby: a very young animal

like: the same in some way

different: not the same

Grown-up tip

Watch a pet or bird and compare the baby and mom.
